

Cousins & Cousins wins planning for Highgate home

1 September 2013 | By [Cate St Hill](#)

Project due to finish in 2014

London-based Cousins & Cousins has been granted planning consent for a new house in Highgate, London.

The three storey house will replace a 1960s detached home on a quiet residential street in the Highgate Conservation Area.

Its 615sq m plan includes an open-plan kitchen, living and dining room, seven bedrooms, a swimming pool, cinema, gym and steam room.

The front facade and eaves respond to the surrounding buildings, while the west-facing rear facade features full-length glazing and louvred screens.

Construction is due to start in the autumn, with completion due in late 2014.
